Each crew participating in the National Rally Championship, National Rally Championship on Tarmac or National Rally Championship for Historic Vehicles is limited to two passes on each Special Stage. Each crew participating in the Rally Start Trophy is limited to three passes on each Special Stage. Each crew with a rookie underage driver, regardless of the Championship in which it participates, is limited to three passes on each Special Stage.

Reconnaissance for SS Stonla also includes reconnaissance on the Shakedown.

Reconnaissance for SS CREIC is done with the reconnaissance car.

Reconnaissance for SS Drumul Genralului (at night) is distinct from SS Drumul Genralului (at day). Thus, each crew may complete SS Drumul Generalului (at day) a maximum of 2 or 3 times (in the case of RST crews or crews with a rookie underage driver) and SS Drumul Generalului (at night) a maximum of 2 or 3 times (in the case of RST crews or crews with a rookie underage driver).

The maximum speed allowed for the reconnaissance of Special Stages and Shakedown are as follows:

- **SS CREIC - 30 km / h;**
- **SS Stolna (including Shakedown) and SS Drumul Generalului - 50 km / h;**
- **SS Tarnița - 90 km / h.**

These speed limits apply if no other speed restrictions are imposed on the road. These restrictions determine the maximum speed allowed. Additional limitations may be marked in the Road Book.

With the exception of SS Tarnița, it is strictly forbidden to return on the Special Stages (including Shakedown) on the same sector of the road!
