Braşov Rally Show, Valea Seacă, Caşinu Nou, Bixad, Râşnov, Poiana Braşov		Friday October 17 <sup>th</sup> 2025 <i>Optional reconnaissance</i>	12:00 - 16:00

Each crew is limited to two passes on each Special Stage, except for crews that include a minor driver, who are limited to three passes on each Special Stage.

Reconnaissance for the Braşov Rally Show may be carried out using the reconnaissance car, while fully complying with traffic regulations. The entire Braşov Rally Show route takes place in the normal direction of traffic.

Optional reconnaissance on Friday, October 17<sup>th</sup> 2025, from 12:00 to 16:00, is open to crews not participating in the Shakedown or to crews who have completed their Shakedown session. However, reconnaissance regulations, including the maximum number of passes and speed limits, must be strictly observed.

On the Shakedown and all Special Stages, returning on the same road section is allowed, provided the Romanian Traffic Code is strictly observed and under strict supervision via the reconnaissance tracking system.

Speed limits for the Shakedown and Special Stages are as follows:

Special Stage	Speed limit according to the Traffic Code	Maximum speed allowed by the Organizer
Shakedown	90 km / h	90 km / h
Braşov Rally Show	50 km / h	60 km / h
Valea Seacă	90 km / h In Cătruşa: 50 km / h	90 km / h
Caşinu Nou	90 km / h	90 km / h

Special Stage	Speed limit according to the Traffic Code	Maximum speed allowed by the Organizer
Bixad	90 km / h In the Balványos Resort area: 50 km / h In Băile Balványos: 50 km / h	90 km / h In the Balványos Resort area: 60 km / h
Râşnov	90 km / h	90 km / h
Poiana Braşov	50 km / h	60 km / h

A tolerance of 10 km / h above the Organizer's maximum speed is allowed. However, in case of exceeding this limit, penalties are applied according to the Penalties Annex, based on the speed recorded relative to the Organizer's limit, not the increased limit with tolerance (for example, if the limit is 60 km / h and the recorded speed is 71 km / h, the penalty will correspond to an excess of 11 km / h).

The officials of Tess Rally Braşov & Târgu Secuiesc will not apply penalties as long as crews comply with the maximum speeds set by the Organizer. However, this does not exempt crews from legal responsibility, and they may be penalized by the Romanian Police or other competent authorities if recorded by radar or other speed control devices exceeding the legal limits established by the Traffic Code.
